## COMPANY PROFILE

Midland Security is an independently owned Irish Security Company based in Tullamore providing a broad range of security services. We provide Security Officers, Key Holding, Mobile Patrols and Electronic Security Installations, CCTV, Intruder Alarms and other electronic security solutions. We offer a nationwide security service, 24 hours a day carried out by our fully trained and PSA accredited Security Personnel. While Midland Security is a new company our management team consists of a group of highly qualified security professionals who are experts in the most modern security methods available.

Midland Security provides its clients with a range of customised, turnkey security solutions that include traditional security services and loss prevention techniques as well as a range of specialised products and services designed to meet the customer’s individual requirements. While the name Midland Security is a new one, our professionalism, discretion and commitment to providing cost effective security solutions are borne of over 25 years experience at the top of the security industry in Ireland, the UK and the United States.

Our existing clients are market leaders in their respective industries and we are committed to providing them with a quality service. The goal of Midland Security is to keep our client’s staff and premises safe and provide a service level that exceeds our customers’ expectations. *“It is not our objective to be the biggest security provider in Ireland, we’ll settle for being the best”*

Our commitment to corporate social responsibility is evidenced by our provision of security services to local community groups and voluntary sporting bodies free of charge on an ongoing basis. This commitment will be further developed over the coming months and years to provide advice and expertise to start up companies and other local charitable organisations.

Midland Security are NSAI approved to ISO 999-2004 Standard and our company Quality Programme is fundamental to all projects undertaken for our clients.
