

## STATIC SECURITY

Our fully-uniformed, experienced security officers will work with your organisation to ensure that your premises and your staff remain secure at all times. All our officers have attended a structured training course and have been vetted to PSA Standard in addition to holding a full PSA licence. All employees must provide a traceable ten year work history and are only employed subject to credit checks and references from previous employers. With these checks in place we can confidently claim to employ the best-trained, best equipped security officers providing the following services:

- **Static**
- **Retail**
- **Store Detective**

**Our Fetac Level 7 Academy Trainers provide full in-house training and accreditation for all our personnel.**
