*"I am a relatively recent recruit to the Athlone Chamber and being involved in the Tourism sector I regret not having joined it sooner. It has given me a voice through the Chamber not alone at Town Council level but also at County Council and Regional Tourism briefings etc. This have been an invaluable asset to me as tourism can be very fragmented from a National perspective with the bigger and more popular destinations in this country always winning out when it comes to promotional advertising, funding etc. Coming from a tourism county myself, I think Athlone in the heart of the midlands has way more to offer than the general public realise and I have no doubt the Chamber will be a help to me and a great many others in promoting our fabulous facilities in this locality".*

*"As a new business we approached Athlone Chamber of Commerce to expand our network, Ms Heenan arrived the following day. The response was fantastic and Athlone Chamber went into overdrive, from sound business advice and plenty of encouragement to practical stuff like getting us airtime on the radio, press releases and networking. All of this has already opened doors. Many thanks to Jennifer and Athlone Chamber".*
